E15

In-ear headphones

Sound that moves you, when you're on the move.

JBL E15 in-ear headphones are style and substance, all rolled in one. Despite their compact form, its 8.6mm drivers deliver full-spectrum signature JBL sound. With angled ear buds and multiple size ear tips, they deliver fit and comfort for extended listening no matter what you are doing – working, commuting, or just making your way around town. Its tangle-free fabric cable, lightweight design, convenient carrying pouch for easy storage and one-button universal remote are added features that make the E15 the perfect choice. Available in various distinctive colors, these headphones accessorize your life with color and fun.

Features

- JBL Signature Sound
