- **Location**: College Town, Parking Lot behind CVS, 1431 Mount Hope Ave.

  - **$350 Half Share**: Every other week pick-up, with the same abundance of 8-10 choices per week.

As a 501c3 nonprofit, homesteads for hope serve young adults with and without disabilities, offering them the opportunity to learn and work on the farm, which produces an abundance of produce for our community. **Moreover, last year excess produce was donated to the University of Rochester food pantry to fight food insecurity!** By joining our CSA, you can be assured that your local produce has been seeded, planted, and harvested with love and hope. Sign up today to secure your share and enjoy a season of fresh, delicious produce!
