INSIDER TIPS

See the animals at their most active: Visit habitats in the morning or evening when the weather is cooler.

***Make a plan*:** Most people approach theme parks in clock-wise patterns. Start in the back of the park and work your way forward to beat the lines.

Don't get soaked: If you want to ride water rides but remain dry, you have two options: wear a poncho or bring a spare change of clothes.

Beat the crowd: Most guests eat lunch between 11am and 2pm, so plan on eating lunch earlier or later than usual. Peak meal times are the best times to beat the lines at your favorite rides like Falcon's Fury® and Cheetah Hunt®.
