“I am deeply grateful for the beautiful and generous gift from Omaha Steaks and the SEAL Family Foundation. Everything from Omaha Steaks is delicious, but even more than that, it brings comfort, warmth, and a sense of being remembered during the holidays.”

“One woman told me it had been a very, very long time since she could afford to eat a steak, and she was excited! I loved that the Omaha Steaks CEO was so involved in the process and interacted with our pantry guests. It was an amazing experience!”

GIVING BACK FROM THE HEARTLAND

Omaha Steaks was born in Nebraska over 100 years ago, and while we're still based here today, we're proud to support nonprofit organizations in our local community and beyond. And so are our team members, who volunteered 334 hours to the community and donated 1,746 pounds of food to Food Bank for the Heartland! Because giving starts at home, but it doesn't end there.
