110,000-TON CARNIVAL GLORY OFFERS POPULAR SEVEN-DAY CARIBBEAN CRUISES FROM PORT CANAVERAL

MIAMI– Carnival Cruise Lines' 2,974-passenger Carnival Glory, which operates seven-day Caribbean cruises from Port Canaveral, Fla., offers a truly unique vacation experience, with a host of "resort-style" amenities and an exciting array of stunning public rooms and facilities, each with a character all its own.

Carnival Glory's western Caribbean cruises depart every Saturday and feature extended day-long visits to four tropical destinations – Cozumel, Belize, Costa Maya and Nassau, and alternates weekly with the ship's seven-day eastern Caribbean cruises to Nassau, St. Thomas/St. John and St. Maarten.

PUBLIC ROOMS AND AREAS

Designed by Carnival's award-winning architect Joe Farcus, the 110,000-ton Carnival Glory takes colors as its central design theme, with each public room celebrating a different shade of the rainbow.

Highlights include the ship's promenade, called **Kaleidoscope Boulevard,** which features one-square-meter polished aluminum light fixtures, subdivided into geometric modules that are backlit with stripes of red, blue and yellow LED lights, giving the effect of motion as the lights modulate between colors; **Amber Palace**, named after Russia's famous Amber Room, is distinguished by fancy rococo moldings, gold leaf columns with female figures, candelabras, and "double eagle" image of Russian lore; **Ivory Club**, featuring an Indian theme set off with elephant tusk replicas, intricate wall coverings with spindles and ivory-like squares, windows inset with mosaics of faux semi-precious stones, and a wood-paneled ceiling with embossed brass beams.

DINING OPTIONS

Carnival Glory offers a wide variety of formal and casual venues, including the stunning **Platinum** and **Golden** formal dining rooms with extensive menus and wine lists; a casual poolside restaurant, **Red Sail Restaurant**, with full breakfast, lunch and dinner buffets and a 24-hour pizzeria, along with a New York-style deli, an Asian specialty station and a grille; and the

Emerald Room, an elegant steakhouse serving U.S.D.A. prime dry-aged beef, chops, seafood and other cuisine.

Dining room menus also include vegetarian dishes and children's menus, as well as Spa Carnival Fare, delicious health-conscious menu items that are lower in fat, sodium, cholesterol and calories. The ship also features a patisserie and a sushi bar, as well as complimentary 24-hour room service and ice cream and frozen yogurt.
