PUBLIC ROOMS AND AREAS

Designed by Carnival's award-winning architect Joe Farcus, the Carnival Liberty features an interior design theme that celebrates the work of fine craftsmen in many different media. From ironworking to wood- carving, from stone cutting to jewelry making, from pottery to photography, the public rooms on Carnival Liberty showcase the skills of artisans, including those who build the line's ships.

Highlights include the **Grand Villa Garden Atrium**, where ironworking, masonry, pottery making and painting come together to create an elegant park-like atmosphere; **Venetian Palace**, the ship's main show lounge which is designed to capture the artistic variety and quality for which the fabled Italian city of canals is renowned; **Hot & Cool**, a dance club celebrating the craft of body art with giant arms and legs that are decorated with tattoo patterns in bright fluorescent colors.

DINING OPTIONS

Carnival Liberty offers a wide variety of formal and casual options at sea, including the stunning **Golden Olympian** and **Silver Olympian** formal dining rooms with extensive menus and wine lists; a casual poolside restaurant, **Emile's**, with full breakfast, lunch and dinner buffets and a 24-hour pizzeria, along with a New York-style deli, an Asian specialty station, a grille and

a rotisserie; and **Harry's**, a reservations-recommended steakhouse serving prime U.S.D.A. dry-aged beef, chops, seafood and other cuisine.
