Carnival Jubilee™

Carnival Jubilee – December 2023

Shipyard: Meyer Werft, Papenburg, Germany
Country of registry: Bahamas
Homeport: Galveston, Texas
Itinerary: Seven-Day Cruises to the Western Caribbean

Highlights:

- Features a Texas Star on its bow, an homage to its homeport of Galveston and a symbol of Carnival's commitment to the port as the first cruise line to sail year-round there.
- Features on board roller coaster (BOLT, the Ultimate SeaCoaster) – an all-electric coaster where the rider controls the speed.
- The ship's atrium, known as Grand Central, spans three decks and doubles as a massive and high-tech entertainment space at night.
- Powered by Liquefied Natural Gas, Jubilee will be the first LNG cruise ship to operate from Texas.
- Restaurants from partners Guy Fieri (Guy's Burger Joint and Guy's Smokehouse Brewhouse where we brew our own beer onboard), Emeril Lagasse (Emeril's Bistro 717), Rudi Sodamin (Rudi's Seagrill) and Chief Fun Officer Shaquille O'Neal (Big Chicken).

Size/Capacity

- Gross tonnage: 180,000
- Length: 1,130
- Beam: 137 feet
- Maximum Draft: 28 feet
- Cruising Speed: 17 knots
- Full guest occupancy: 6,465
- Normal occupancy: 5,282 (based on 2 per cabin)
- Passenger decks: 17
- Total officers and crew: 1,745

Exclusive Zones

- Two unique themed areas featuring new dining, entertainment and attraction experiences.
    - **The Currents** – Encompassing Deck 6 and Deck 7, The Currents is an awe-inspiring, immersive and transformative space that takes guests below the waves with a playful vibe featuring innovative technology, new and exciting bar and dining venues and live music. When guests step into Currents, they will be transported to mesmerizing underwater worlds, both realistic and fantastical, in a beautiful space that changes from day to night and throughout the cruise. The portals to the sea comprise six huge LED windows which, along with a massive wave-shaped LED ceiling, theatrical show lighting and captivating sound design will create a variety of immersive environments for guests to enjoy as they try new, unique cocktails and flavorful dishes.
    - **The Shores** – The place where the ocean meets land, The Shores is a zone that's inspired by the ways people enjoy the seaside including piers, boardwalks and beaches. An impressive three-deck-high fish school art installation rises from Deck 6 all the way to Deck 8 to bring guests up from the Currents below to the surface. Guests will stroll along the boardwalk alongside colorful and playful designs, including a fun Ferris wheel- inspired ceiling feature, and casual seating areas, both inside and outside. Guests can enjoy a fresh hot pizza at Coastal Slice or try a tasty sandwich or hot dog at Beach Buns. Marina Bar features fun nautical designs and comfortable lounge seating for enjoying coffee and cocktails inside by the

boardwalk or outside by the sea. Rudi's Seagrill and Cucina del Capitano return with indoor and al fresco seating.
