CARNIVAL CRUISE LINE FACT SHEET

Carnival Cruise Line, part of Carnival Corporation & plc (NYSE/LSE: CCL; NYSE: CUK), is the first cruise line to sail over 100 million guests and is proud to be known as America's Cruise Line, for carrying more Americans and serving more U.S. homeports than any other. Since its founding in 1972, Carnival has continually revolutionized the cruise industry and popularized the cruise vacation as an affordable and fun travel option. Carnival operates from 13 U.S. and two Australian homeports, as well as seasonally from Europe and employs more than 50,000 team members representing 120 nationalities.

Carnival's fleet of 29 ships reflects an exciting period of growth that continues with the addition of five ships through 2033: a fourth and fifth Excel class ship scheduled for 2027 and 2028 respectively; followed by three additional new ships from an innovative new class currently under development. Carnival's next new guest offering will be the all-new exclusive destination, Celebration Key, set to debut on Grand Bahama this summer
