

POWERING NEW MEXICO

MAKING ENERGY WORK BETTER

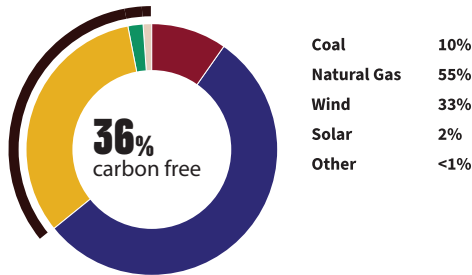

Xcel Energy powers the growth and prosperity of New Mexico's communities, helping our customers thrive. We are committed to leading the clean energy transition and meeting our customers' need for reliable, resilient and increasingly clean power while keeping their bills as low as possible.

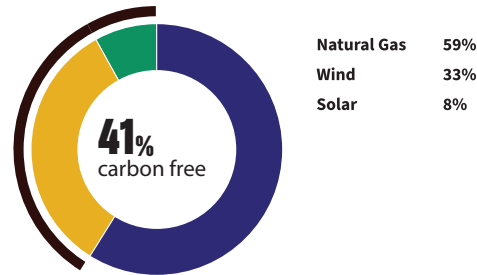

Clean energy leadership

We're the first major U.S. energy provider to set a vision for 100% carbon-free electricity and the first to expand our goals to include net-zero natural gas and carbon-free transportation.*
